networking capabilities:	iFIT.com™ compatible	
treadbelt:	20" x 60", quiet belt	

Tread Belt – 20" x 60", 2-ply quiet belt reduces noise and offers a spacious running surface for long strides.

BioStride® Deck Cushioning – Durable isolators reduce noise and absorb impact with every foot strike for a comfortable run or walk.

QuickTouch™ Speed – Adjust speed from 1 to 12 MPH by simply touching a QuickTouch button or scrolling in 0.1 increments.

Incline – Adjust Incline from 0 to 15% by scrolling in 0.5% increments.

Motor – Rated for commercial use, this powerful 3.5 HP continuous duty DC motor runs cool, clean and quiet for many years of use.

Deck – Double coated with resin on both sides, the deck lasts twice as long when flipped during general maintenance.

Lift Motor – AC lift motor provides smooth incline and decline movement and stabilizes the deck.

Rollers – 3.5" crowned rollers provide consistent tension for smooth belt movement.

AccuRate Pulse Monitoring – Pulse information can be displayed on the console via contact sensors or included chest pulse strap.
